

# Vee Technologies: 2017 IAOP Global 100 Outsourcing Provider

*Vee Technologies recognized in the Rising Star Judging Size category.*

NEW YORK, NY, UNITED STATES, March 1, 2017 /EINPresswire.com/ -- New York, NY - February 22, 2017: Vee Technologies, a multi-specialty, business process, services, and solutions [provider](#) based in New York, USA, and Bangalore, India, was recognized this week at the IAOP® 2017 Outsourcing World Summit in its annual Global 100 Outsourcing list. This is the second consecutive year that Vee Technologies has been conferred with this recognition.

Again, it is an honor for Vee Technologies to be recognized in the Rising Star Judging Size category. The list acknowledges Vee Technologies' accomplishments in delivery excellence, programs for innovations, and corporate social responsibility.

"Choosing the right partners is more important than ever. Companies that outsource, not only in the traditional sense, but also through the wide array of the ever-changing collaborative business models are scrutinizing their providers very closely," said Debi Hamill, IAOP CEO. "The GO100 is the definitive guide to help companies research and compare service providers with whom they are considering relationships."

"2016 was a transformational year for us – each of our operational locations has a second center today with a 10,000 seat facility under construction in Salem. We focused on population health, analytics, process re-engineering, and innovation and were able to deliver our brand promise of Extraordinary Outcomes." says Chocko Valliappa, CEO, Vee Technologies.

"Again, I have received requests on how Vee Technologies continues to achieve positive recognition, most lately by the IAOP as a Global 100 Outsourcing Provider. At our core is an undeniable commitment and passion to act with integrity and deliver extraordinary outcomes that truly matter for our clients," stated Patrick L. O'Malley, President, Vee Technologies. "Each client is unique. Each deserves the right amount of attention, analysis, and compelling solutions. Our solutions are evolving in this changing environment. We must be consultative, analytical, creative, and adaptable to continue to delight each client."

The official list will be premiered in a special section on outsourcing in the 2nd Quarter 2017 Fortune
